MOLLY HARRISON THE INSPIRING FORCE BEHIND OUR VIBE!

Molly Harrison, curator from 1946 to 1969, was a trailblazer in modern museum education. An author of children's and adult books, she championed accessible learning spaces in museums for all ages.

Though often dismissed as a 'mere school teacher,' her 30-year career laid the foundation for today's museum education.

Molly's bar and kitchen are inspired by her bold, creative spirit and dedication. The space reflects her influence, shaping the Museum of the Home's respected Learning programme, and welcoming people of all ages to come together.

Certain items on the menu are available as gluten free. If you have any special dietary requirements or allergies, please let one of our team members know.

On average, adults need about 2000kcal a day.

Just to let you know, a discretionary 12.5% service charge will be added to your bill. We're cashless, so please have your card ready. Thank you!

COCKTAILS

At Molly's, craft, creativity, and community are at the heart of everything we do. Our ethos shines through in our locally sourced spirits, responsibly crafted juices, and house-made syrups, each with a story behind it. From foraged fruit in our Idly drinks to honey sourced right here in London, we're proud to work with our community and local producers.
